Week 4, CSCW Fall 2015

Reminders...

- **No final** (for grads and undergrads) +10% for participation, +10% for projects
- Add **photos** to Slack and to Wordpress! Pretty please!
- Be on **Slack**, post on Slack... set up **notifications** for General and Announcements channels (at least)
- **Workshop topics** (not seeing many on Slack – I will create some and ask students to sign up... self-organizing did not work here!)
- **Project teams** are set... find your team members NOW and sit with them and work on today's activities with them!

Today!

- **Collaborative Visualizations** (let's watch some videos and learn more about various techniques – *pay attention* – your exercise will involve these techniques!)
- Evaluation Frameworks and Empirical Methods:
Activity!

Next week....

- Topics: Evaluation Frameworks and Empirical Methods cont. (comments from your posts)
- Knowledge communities, ontologies, folksonomies...
- More readings (already posted on GitHub); your **next blog post is due on Tuesday at 2pm!**

Any concerns?

See us! Today or make an appointment....
